

WRITERS' COTTAGE STUDY

The Writers' Cottage Study provides a quiet and comfortable space for writing and research. It is equipped with a large adjustable-height desk, an ergonomic desk chair, a desk lamp, and a printer. The space also includes an upright piano, a lounge, and a reading lamp.

EQUIPMENT PROVIDED

Piano: Upright piano with stool

Desk: Manual height-adjustable desk, 180cm (W) x 75cm (D)

Chair: Ergonomic high back chair

Printer: Brother HL-L2400DW Mono Laser Printer

Cable: USB 2.0 to USB A cable

WHAT YOU WILL NEED TO BRING

Laptop, along with any necessary chargers, cables, and adaptors (you can connect your laptop to the printer using the provided USB A cable or via Wi-Fi)

A4 paper

If you plan to do large amounts of printing, we would appreciate your assistance in purchasing replacement toner cartridges:

- Brother TN2530 (estimated yield: 1200 pages) *or*
- Brother TN2530XL (estimated yield: 3000 pages)

PRINTER DRIVER

To install the necessary printer driver for your operating system, please visit:
